

CALIFORNIA UNIFIED CERTIFICATION PROGRAM (CUCP)

Dear Business Owner:

Thank you for your interest in participating in the Unified Certification Program (UCP) of California for Disadvantaged Business Enterprises (DBEs). As mandated by the United States Department of Transportation (U.S. DOT) in the DBE Program, Final Rule 49 Code of Federal Regulations (CFR), Part 26, all U.S. DOT recipients of federal financial assistance must participate in a statewide UCP by March 2002. The UCP is a “One-Stop Shopping” certification procedure that will eliminate the need for DBE firms to obtain certifications from multiple agencies within the State.

The UCP of California is charged with the responsibility of certifying firms and compiling and maintaining the Database of certified DBEs for U.S. DOT grantees in California, pursuant to 49 CFR Part 26. The Database is intended to expand the use of DBE firms by maintaining complete and current information on those businesses and the products and services they can provide to all grantees of California.

Please complete the attached application and supplemental questionnaire if you wish to be considered for DBE certification and your business meets the following general guidelines:

- a) The firm must be at least 51% owned by one or more socially and economically disadvantaged individuals.
- b) The firm must be an independent business, and one or more of the socially and economically disadvantaged owners must control its management and daily operations.
- c) Only existing for-profit “Small Business Concerns,” as defined by the Small Business Act and Small Business Administration (SBA) regulations may be certified. DBE applicants are first subject to the applicable small business size standards of the SBA. Second, the average annual gross receipts for the firm (including its affiliates) over the previous three fiscal years must not exceed U.S. DOT’s cap of \$17.42 million.

For firm applying for airport concession DBE certification: The average annual gross receipts for the firm (including its affiliates) over the previous three fiscal years must not exceed \$30 million.

- d) The Personal Net Worth (PNW) of each socially and economically disadvantaged owner must not exceed \$750,000. The PNW **excludes** the individual’s ownership interest in the applicant firm and the equity in his/her primary residence.

For firm applying for airport concession DBE certification: A PNW is not required at this time.

Socially and economically disadvantaged individual means any individual who is a citizen of the United States (or lawfully admitted permanent resident) and who is a member of the following groups: Black American, Hispanic American, Native American, Asian-Pacific American, Subcontinent Asian American, or Women,

or

Any individual found to be socially and economically disadvantaged on a case-by-case basis by a certifying agency pursuant to the standards of the U.S. DOT 49 CFR Part 26.

In order to avoid unnecessary delays, please complete all portions of the application and supplemental questionnaire, placing "N/A" next to items that are not applicable. Include all copies of documents requested on the application, and have the *Affidavit of Certification*, *Affidavit of Social and Economic Disadvantage* and *Personal Net Worth Statement* notarized. Additional documentation may be requested if it is considered necessary to make a certification determination. Incomplete applications/supplemental questionnaires or applications/supplemental questionnaires without all the required documents will not be evaluated until such documents are submitted. We recommend keeping a copy of all submitted documents for your records.

REMEMBER: It is no longer necessary to apply at more than one agency. If your firm meets the criteria for certification, it will be entered into the Database of DBEs for all U.S. DOT grantees in California. Only firms currently certified as eligible DBEs may participate in the DBE programs of U.S. DOT grantees of California.

The California UCP has established four Regional DBE Certification Clusters throughout the State to effectively facilitate statewide DBE certification activities. Please forward your completed certification packet to **one** of the agencies serving the county where your firm has its principal place of business. (See enclosed Roster of Certifying Agencies.)

For Out-of-State Firms: The California UCP will not process a new application for DBE certification from a firm having its principal place of business in another state unless the firm has already been certified in that state. If your firm is located outside of California and is currently certified as a DBE at its home state, please forward your completed certification packet, along with copies of your certification letter and DBE certificate, to the California Department of Transportation. (See page 3 of the enclosed Roster of Certifying Agencies.)
